

Charity and Community

Brochure

Protecting your community.
Insuring your future.

Charity and Community

We have designed Charity and Community especially for the following types of organisations:

- Registered and recognised charities
- Organisations holding charitable status
- Charitable incorporated organisations (CIO)
- Community interest companies (CIC)
- Voluntary organisations
- Not-for-profit organisations
- Social enterprises

Charity and Community is for charities and organisations that have:

- an annual income or turnover up to £1,000,000
- assets up to £2,500,000
- a payroll up to £500,000, and
- fewer than 500 volunteers or members.

If your organisation is larger than this, we may be able to provide cover if you give us details. You may not be able to buy package cover (see page 4) if your organisation is above a certain size.

The policy summary shows the main features and exclusions of the policy – it does not provide all the terms, conditions and exclusions that are in the policy wording. You can ask us for a copy of this. A significant exclusion is something that may affect your decision as to whether the policy is suitable for you or is unusual compared to other policies for the charity sector that are available. We have also included extra information that may help you.

Cover under our Charity and Community policy is provided by Ecclesiastical Insurance Office plc.

Charity activities

The UK charity sector is involved in providing a wide range of activities. We can meet the insurance needs of your organisation for the following activities:

- Office and administration work and storing your property
- Attending trade shows, exhibitions, conferences, meetings and seminars
- Firework displays and bonfire events, as long as no more than 100 people will be attending
- Fundraising events (other than firework displays or bonfire events), as long as no more than 1,000 people will be attending
- Recreational activities, such as sports, games and hobbies
- Selling goods (including second-hand goods) as part of the above activities and for the benefit of your organisation

We will provide cover for all these activities unless the policy summary says that a particular activity is not covered.

If you need cover for any extra, excluded or similar activities, we may be able to provide cover if you give us details of the activities. If you are not sure whether an event or activity is covered or can be covered, speak to your insurance advisor or us.

Why Ansvar?

We are a general insurer specialising in insuring not-for-profit organisations and connected individuals. Our ethical investment and trading policy means we will not deal with organisations which are mainly involved in alcohol, tobacco, gaming and armaments.

We also give a percentage of our profits to help charities involved in alcohol and drug-education rehabilitation.

We have been trading in the UK for over 60 years and are well known for offering an excellent personal service and providing a fast and sympathetic response to claims. We are a business division of Ecclesiastical Insurance Office plc.

Fair presentation guarantee

You must make a 'fair presentation of risk.' We will consider you to have made a fair presentation of risk if:

- you have completed the 'online' questions accurately and honestly, and
- any assumptions on the Statement of Fact have been checked by your insurance advisor and are correct.

Choice of cover

Increasing responsibilities placed on charities and other organisations brings more chance of loss, damage or injury.

You should get advice about the insurance cover your organisation needs from an insurance advisor.

Charity and Community offers you the choice of selecting the sections of cover you want or having a package of cover, as shown in the table opposite.

Please note

- Sometimes, combining cover into a package can result in a cheaper premium.
- You can add extra sections of cover that do not form part of a package.
- Some sections of cover may not be available on their own.

Index-linking

Each month we automatically increase the sums insured for the Property damage and All risks sections, in line with inflation.

We also offer an option to include 'Day one' cover for buildings, which allows you to choose the level of protection you need (from a set list of percentages) against inflation.

Declarations

Before you renew your policy each year, we may send you a declaration form asking for up-to-date information on income, volunteer numbers and payroll. We will use the information when working out the premium to renew the policy.

Importance of having adequate sums insured

- You should ask your insurance advisor for advice on sums insured and indemnity limits. However, it is your responsibility to make sure that the sums insured are enough.
- If a sum insured is not enough to replace all of the property insured or a loss of all income, we may reduce the amount of a claim payment in equal proportion.
- You should regularly review your sums insured even though automatic index-linking applies to the property damage and all risks sections.
- Sums insured should include VAT if this applies.

Settling claims

If an excess applies to a claim, we will take off the amount of the excess from the claim settlement.

The sum insured or the indemnity limit (as appropriate) will be the most we will pay unless we say otherwise

Unoccupancy or change in risk

You must tell us as soon as reasonably possible if the buildings:

- are going to be vacant, without tenants, empty or no longer used for 30 days or more in a row, or
- need to have structural alterations, major repairs, demolition or construction work carried out.

If this happens, we may:

- cancel the policy from the date of the unoccupancy or alteration, or
- apply special terms or charge an extra premium (or both).

Special requirements

- These are aimed at reducing the risk of loss, damage or liability.
- They only apply if they relate to your property or your activities.
- We will not pay a claim if you fail to keep to a special requirement.
- See the policy wording for full details of the special requirements.

Notes

- You must let DAS know about any problems straight away or they may not provide cover if you have tried to deal with matters on your own.
- For civil cases (except for insured incidents relating to employment disputes, compensation awards and legal defence), cover depends on a 'reasonable prospects of success' clause, meaning that it must be more likely than not that you would make a successful defence, recover damages or achieve a legal remedy that DAS have agreed to. For criminal cases, there is no requirement for there to be 'reasonable prospects of success', other than for appeals.
- Reasonable prospects would be considered as a 51% or better chance of success and would be assessed by a law firm, barristers' chambers or tax expert DAS choose according to their standard terms of appointment.

What if you want to cancel the policy?

a) If you are an individual person and you want any part of the insurance for purposes which are outside your trade, business or profession, the following cooling-off conditions apply.

- If at the start of cover or when you renew the policy, you change your mind and no longer need the cover, you have 14 days (cooling-off period) from either the date you received the policy wording and the schedule or the date the cover began (whichever is later) to write to us, or your insurance advisor, to say you want to cancel the policy. If the policy is a single-event policy, the cooling-off period applies up to the event start date shown in the schedule only. In these circumstances we will make a full refund of your premium.
- You may cancel the policy after the cooling-off period but the following conditions then apply.

b) For all other insured people, companies or organisations and for an individual person cancelling outside the cooling-off period, the following conditions apply.

- We will refund the premium for the rest of the period of insurance, which we will adjust if you pay your premium by instalments. We will not give you a refund if it is less than £25.
- If you have made a claim in the current period of insurance, the full annual premium is due and we will not make a refund. If you pay the premium in instalments, you will have to pay any premium you owe for the rest of the period of insurance or we will take it from any claim payment due.

Can Ansvar cancel the policy?

We also have the right to cancel the policy by giving 14 days' notice sent by special delivery to your last-known address. If we cancel the policy, we will refund the premium for the rest of the period of insurance.

What is different about cover arranged on a 'claims made' basis?

Trustees' and directors' indemnity, fidelity guarantee (cover for your loss of money or property following the dishonest or fraudulent behaviour of an employee or volunteer), professional indemnity, libel and slander, misappropriation of money and cyber (cover for legal liability for loss of data or transmitting a virus and cybercrime) are all types of cover which insurers normally provide on a 'claims made' basis. This means we only provide cover for claims which are discovered and we are told about during a current period of insurance.

If you cancel the cover, you will no longer have protection for losses or actions before you cancelled. This can leave a possible gap in cover if you do not replace it with another insurance policy from the cancellation date. Ideally, before you cancel, you should get written agreement from anyone who will lose their protection of cover.
